ARTS AND CULTURAL

Art Exhibitions

Jane Ferguson's acrylic paintings are on exhibition at the Simpkins Family Swim Center / Parks office through August 1. Jane Ferguson's paintings go up the week of May 30.

Traffic Box Art

Vanessa Stafford completed painting of three traffic controller boxes located at the intersection of Paul Sweet Road and Soquel Drive, near the Highway 1 north on-ramp. The project was funded by the Arts Council and approved by Caltrans.

Community Public Art Projects – Just in Time (JIT) Panel

Work on the second of two community-initiated public art projects, approved by the JIT Panel, was recently begun. Initiated by Haley Turner, Program Manager of the Graffiti Removal Project, the four-panel mural is being painted on the long retaining wall at Soquel Ave. and Cunnison Lane, which is behind the Farm Park bus stop; it features pop-art style imagery inspired by patterns found on a farm, painted by local artist Steve Rankin. See the April 1 edition of the Aptos Times for a story about this project.

Artist of the Year Award – A full house (to the rafters!) was in attendance for Shmuel Thaler's 2016 Artist of the Year "*Profile Performance*" at the Museum of Art & History on May 27. After awards were presented, Shmuel and longtime friend, Wallace Baine, had a conversation about Shmuel's work while images of his "Photo a Day" project were shown on large screen behind them. Afterward, a few of Shmuel's friends played the "Santa Cruz Song," inviting the audience to sing along. Photos from the evening, as well a snippet of video of the sing-along, can be found on the Parks Department website on the Artist of the Year page.

Nominations for 2017 Artist of the Year have closed. Five artists submitted their work for consideration by the County Art Commission.

The Mission of the Santa Cruz County Department of Parks, Open Space and Cultural Services is to provide safe, well designed and maintained parks and a wide variety of recreational and cultural opportunities for our diverse community

Percent for Arts – Public Art Projects - The artwork for the Heart of Soquel has been completed and installed by local artist Juan Ramón Gimeno. Gimeno titled his piece *Old Tree*; sitting atop a 5’ concrete pedestal, the surface of textured porcelain and stoneware in neutral colors mimics the look of a weathered, fossilized Cypress tree.

ADULT AND SENIOR PROGRAMS

In June, Senior Mall Walk program participants had their hard work acknowledged at the Mall Walkers 27th annual awards ceremony. Many walkers received awards for attaining their goals and reaching new mileage categories. Volunteers for the program were also honored and recognized for their hard work and dedication. Lastly, we raffled off great prizes donated by generous area merchants. June also featured a trip to see “Motown the Musical” at the Center for the Performing Arts in San Jose and a guided tour of the newly renovated and expanded SFMOMA.

On July 22, Senior Mall Walkers will have a potluck picnic at Anna Jean Cummings Park, complete with a rousing game of Bingo.

The Little Guard program is designed for children ages 5 and 6. They spend the day at the pool and do a variety of activities with emphasis on improving their swimming ability, and safety awareness. The little guards get to participate in a variety of activities including: stand up paddle boarding, kayaking, and fitness based games. They also get to experience sitting in a lifeguard chair, the buoyancy of a lifeguard tube, and they practice performing reaching assists. The little guards also enjoy a day on the beach with the big Junior Guards, and have their own special field trip to the Central Fire Station where they get to hold the fire hose as a firefighter sprays water or attend a presentation from a State Parks Lifeguard who brings the rescue truck and jet ski for the children to climb on.

The Junior Lifeguard program continues to be an incredible experience for children ages 7-13. This program gives children an insight into the fun and rewarding job of protecting and saving lives at the pool. The program strengthens their swimming ability and confidence in and around the water, and introduces them to lifeguard rescue skills. Participants also enjoy special activities such as: kayaking, stand up paddle boarding, CPR demonstrations, climbing wall and slide time, a day at the beach, and a field trip to Golfland in San Jose.

Junior Lifeguard Volunteers – Our Junior Lifeguard volunteer program continues to be successful and rewarding for young adults ages 13 – 15. The program encourages past participants that have reached the age of 13 to volunteer their time helping with the younger children in the program and assisting the leaders. The volunteers allow the program to offer more hands on teaching, and assist the leaders in their daily tasks. The volunteers learn a new level of responsibility, and it gives them a closer look at what being a lifeguard at Simpkins Family Swim Center is all about. Not only do the volunteers benefit, but the junior guard program benefits as well, as we are able to improve the quality of the program without adding staffing costs.

Rebecca Hurley, Aquatic Coordinator received over 20 applications, and accepted 18 to help throughout the summer.

Adult Fitness Swimming – Adult Fitness Swimming is very popular at the Simpkins Family Swim Center.
